PROCEEDINGS.

ORANGE HALL, ST. JOHN, N. B.,

Oct. 13th, A. D. 1893.

Grand Orange Lodge of New Brunswick called to order at 8 o'clock p. m., with the R. W. Grand Master Geo. W. Fowler in the chair.

Companion J. E. N. Holder and Companion John Mowbray were appointed inside and outside tylers by the Grand Master.

In the absence of the Grand Lecturer and Grand Director of Ceremonies, Companions P. E. Heine and Rosborough were appointed by the Grand Master to test the Lodge.

The test having been taken, the opening ceremonies of the Royal Scarlet Chapter were duly observed, and the Grand Lodge was declared opened in the Royal Scarlet Degree.

Resolved, That the Lodge be reduced to the Orange Degree.

The Lodge was then reduced to the Orange Degree.

A letter from R. W. Bro. W. H. Barton, Grand Secretary, regretting his inability to be present on account of ill health, was read.

OFFICE OF GRAND SECRETARY, I. O. A,
ST. JOHN, N. B., Oct. 13, 1893.

*To the Right Worshipful Grand Master, Officers and Members
of the Grand Orange Lodge of New Brunswick.*

SIR AND BRETHREN:—

I deeply regret the circumstances by which I am prevented from being present at the special meeting of Grand Lodge.

Highly as I prize the honorable position which I hold in our beloved society, I find that on account of failing health it will be impossible for me to attend during the session.

The Deputy Grand Secretary has kindly promised to be on hand and attend to the duties of the office.

I hope your session will be a harmonious and prosperous one and may the Giver of all good abundantly bless your deliberations to the advancement of the Order.

I have the honor to be, Dear Sir and Brethren,

Yours fraternally,

W. H. BARTON.

Resolved, That the letter be received and placed on the minutes.

Resolved, That the proceedings of this Grand Lodge meeting be not given to the public.

The Right Worshipful Grand Master explained the object of the meeting. He said: "Some little anxiety has no doubt been felt as to the object of this meeting. It has been insinuated in certain directions that there had been misappropriations of the funds for the Bathurst school inquiry. Now this present meeting has been called to deal with this matter. Since the R. W. Grand Master and the R. W. Grand Treasurer constitute the grand executive as to the matter of finances, such a rumor bears a palpable absurdity upon its face.

In consequence of the action of the last session of the Local Legislature in appointing a commission to inquire into the Bathurst School matter and in accordance with the action of the last Grand Lodge meeting, it was absolutely necessary to have the services of counsel in bringing action in behalf of oppressed Protestants of Bathurst before the Supreme Court of New Brunswick. W. Bro. Skinner had been engaged as senior counsel, and it was thought better that the R. W. Grand

Master should act as junior counsel. In these undertakings a great dearth of funds had been experienced. One hundred dollars was on hand at the time of last session of Grand Lodge for this purpose. Two hundred and ninety-one dollars had been received from the Lodges, making three hundred and ninety-one dollars in all. Of this sum two hundred and fifty had been paid to the senior counsel and one hundred and fifty to the junior counsel. The Grand Lodge of British America had only voted \$200 for our assistance in this matter, notwithstanding that they had given \$1,000 for the Jesuit bill fight and had sent \$500 to help the Ulster brethren. The disposition of the friends at Bathurst is to leave the matter in the hands of the R. W. Grand Lodge as to the course to be pursued. The R. W. Grand Master stated in answer to questions that it had been intimated that the Government and the Catholic majority of Bathurst had suggested that in the event that an agreeable settlement of the case could be reached the Government would be very glad and would pay all costs to date. The proposed basis of settlement is virtually as follows: To have parallel grading of the public school and Catholic convent school at Bathurst up to grade five; above that the children should attend a common school; for the management of these a Protestant trustee should be appointed who must be nominated by the Protestant minority and who shall have control of the Protestant grades up to No. 5, and to act in conjunction with the Catholic trustees in the management of the higher grades. The Protestant trustee must not interfere with the Catholic grades. Also, no catechism to be taught in school hours.

Our expenses thus far have been \$380 in connection with the Royal Commission, and the probable cost of carrying the case to completion will be \$2,000, in addition to the \$200 yet to be received from the Grand Lodge of British America.

W. Bro. C. N. Skinner spoke corroborating the information given by the Grand Master.

W. Bro. Rev. A. F. Thompson spoke at some length throwing considerable light on the attitude of the Protestants at Bathurst. His desire, as well as that of the brethren at Bathurst and Protestants, was that no compromise should be entertained, but that the whole matter should be tried out on its merits.

Resolved, That the R. W. Grand Treasurer be called on for his report.

GRAND TREASURER'S REPORT.

(See Appendix D.)

On motion, *Resolved*, That the Report of the Grand Treasurer be accepted, together with the supplementary report of the Grand Master to the effect that \$100 had been received from Bro. Wm. Rodgers and \$75 from York County for stenographic copy of evidence given before the Royal Commission.

Moved by R. W. Bro. James Kelly and seconded by R. W. Bro. Wm. Roxborough, that an extra assessment of twenty-five cents per capita be made upon the Primary Lodges of the Province to defray the expenses of the Bathurst School matter.

Moved as an amendment by W. Bro. H. A. McKecwn and seconded by W. Bro. Alex. McLean, That a committee of five be appointed who, with the counsel en-

gaged in the case (Bro. R. W. Grand Master George W. Fowler and W. Bro. C. N. Skinner), be a committee from this Grand Lodge to take under advisement the present condition of the Bathurst School question and see what arrangements (if any) can be made with reference to the same, and, if satisfied with the validity of the concessions made by the trustees, that this committee have full power to act in the whole matter.

Moved as an amendment to the amendment by W. Bro. H. H. Pitts and seconded by W. Bro. P. E. Heine, That a committee of six be appointed, with the W. Grand Master, to raise by subscription the money necessary to carry on the legal contest for the public school law in its entirety, and said committee have full power to act until the next session of Grand Lodge and to report to same.

Original motion carried.

Moved by W. Bro. H. H. Pitts and seconded by W. Bro. H. H. Staples, That a committee of six be appointed to act in conjunction with the R. W. Grand Master in connection with the further prosecution of the Bathurst School matter.

Moved as an amendment by W. Bro. J. B. Morgan and seconded by W. Bro. E. C. Stevens, That a committee of one from each county be appointed to aid in securing the desired funds from the Lodges in their respective counties, using whatever methods they may deem advisable to supplement the assessment.

Amendment carried.

Moved by R. W. Bro. Jas. Kelly and seconded by W. Bro. Wm. Rodgers and *Resolved*, That the County Masters of the different counties be that committee.

Resolved, That the Grand Treasurer be directed to write to the Grand Treasurer of British America, asking for the forwarding of the \$200 to the Provincial Grand Treasurer.

Resolved, That any funds sent in by any Lodge for the purposes of the Bathurst School fund in excess of the assessment be credited to them as against any further assessment.

Resolved, That the two tylers each receive \$2 for their services this evening.

Moved by R. W. Bro. N. J. Morrison and seconded by W. Bro. H. A. McKeown, That this R. W. Grand Lodge do now close.

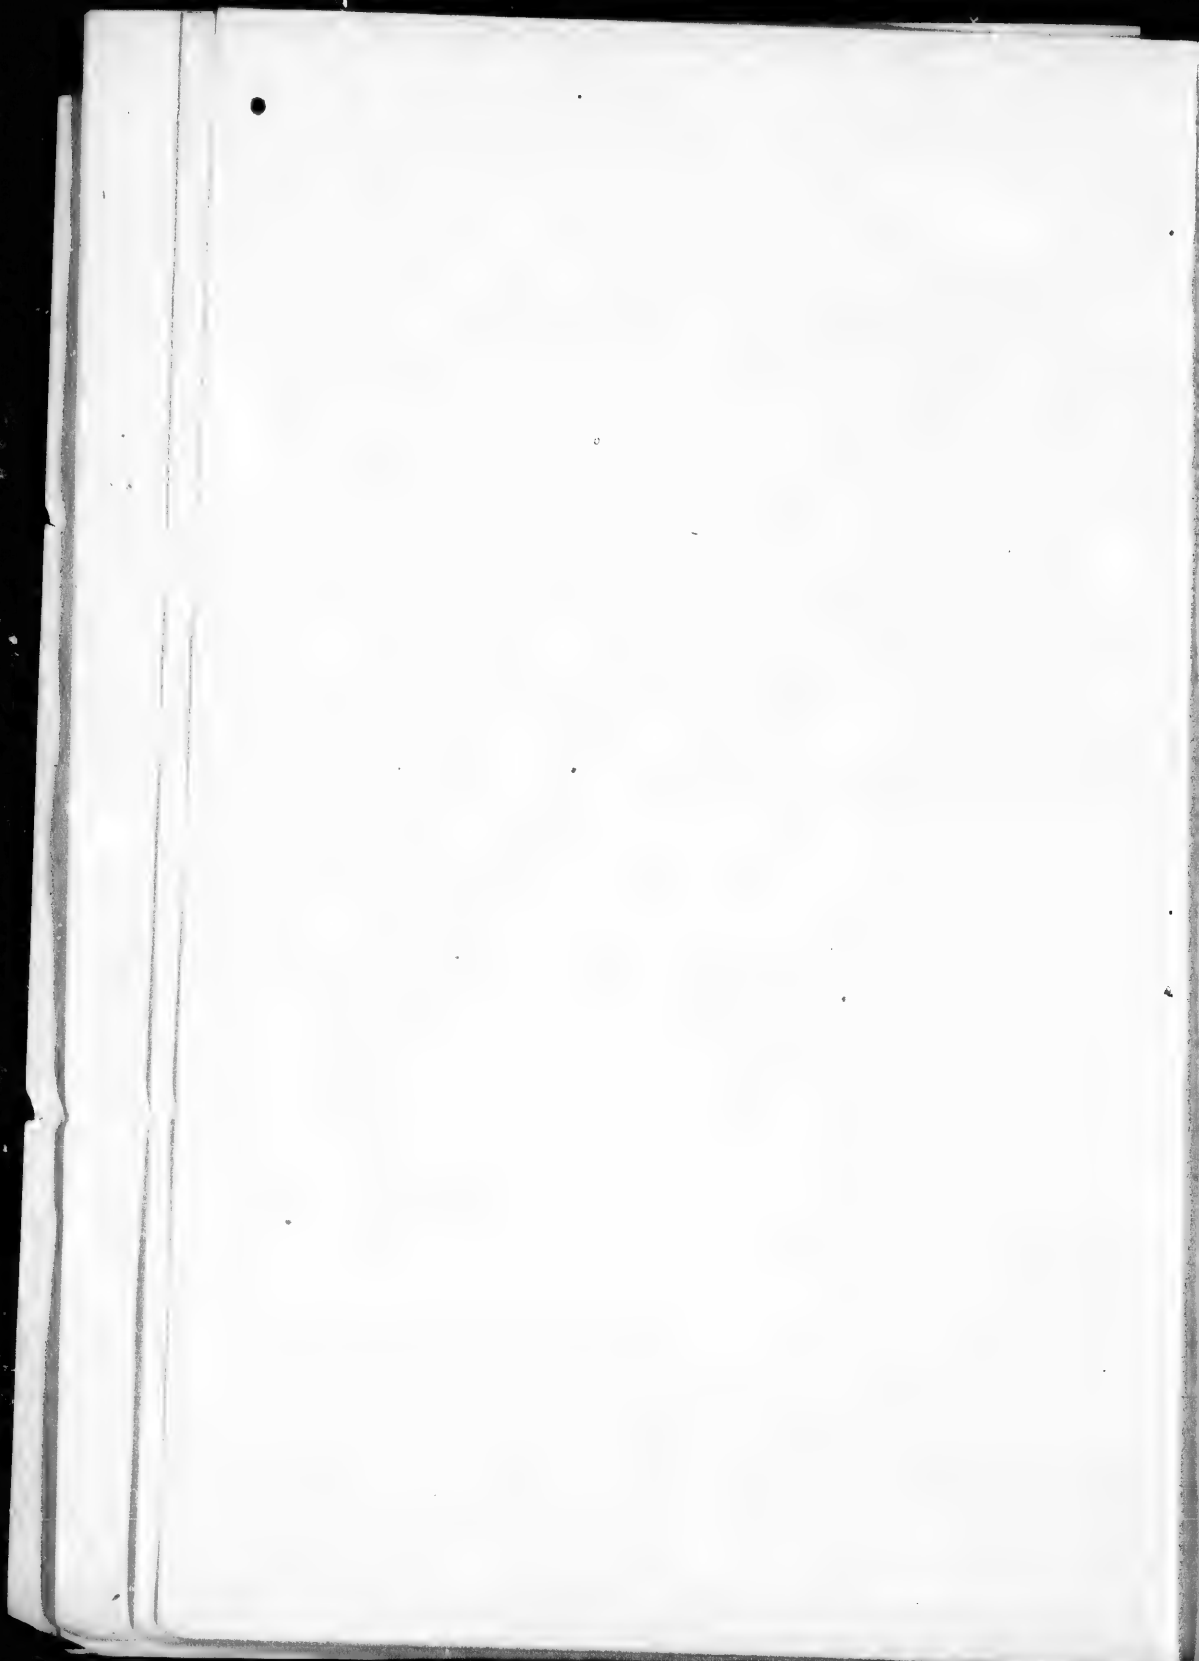

Motion carried.

Lodge declared closed by Grand Master.

ADDRESS OF WELCOME.

W. Bro. Wm. Roxborough, Past County Master to St. John West, read the following address of welcome from the loyal brethren of St. John County West to which the R. W. Grand Master responded in fitting terms:

ADDRESS.

To the Right Worshipful Grand Master and Members of the R. W. Provincial Grand Lodge of New Brunswick.

RIGHT WORSHIPFUL SIR AND BRETHREN:—

On behalf of the officers and brethren of St. John County West we extend to you an earnest and hearty welcome.

We cannot fully express our great pleasure and pardonable pride in having you hold your fifty-first (51) annual session in this enterprising and rapidly growing town of Fairville.

Our little town may not present so many attractions as many of the larger cities and towns in which your annual sessions have been held. We acknowledge it does not. But what we lack in this respect we hope to make up in our endeavor to make your visit a very pleasant and enjoyable one.

You all know how much our town has suffered from that terrible destroyer fire. Twice, within the past two years, that devouring element has laid in ruins the best part of our busy and flourishing town. Beautiful and comfortable homes, fine large manufactures, costly churches, public halls and hotels were, in a few hours, reduced to ashes.

Yet, with that indomitable pluck, characteristic of the people of New Brunswick, the men, yes, and women too, of Fairville took time by the forelock, and ere the ashes of the burned buildings were yet cold, began the erection of new buildings, so that, Phoenix like, immediately from its own ashes "came forth a new town," which we hope will continue to grow and prosper greatly as the years come and go.

Resolved, That the address of welcome be received and placed on the minutes.

The R. W. Grand Master then presented the following address:

RIGHT WORSHIPFUL GRAND MASTER'S ADDRESS.

To the Right Worshipful Grand Lodge of the Province of New Brunswick.

BRETHREN:

Following the usual practice I have great pleasure in presenting my third annual report as Grand Master of the Grand Orange Lodge of New Brunswick.

When I learned that the large and comfortable hotel in this place had been destroyed by fire I at first thought that I would find it necessary to change the place of meeting in order that the brethren might be properly accommodated, but upon making inquiries I felt that there would be no difficulty in that respect and knowing how anxious our St. John West friends were to have us meet here I was glad that no change was required.

The past year has been one of great activity in Orange circles throughout this Province and warrants have been issued for the institution of ten new lodges as follows:—Three in York Co., three in Carleton Co., two in Sunbury Co., one in Westmoreland Co. and one in Albert Co. Nor is the good

every member work likely to stop here as I know of several localities where new lodges will be organized in the near future.

range Associa- While the death rate for the year has not been unusually
of St. John large we have lost some of our most earnest workers, of whom
his address of the most prominent was Bro. W. H. Barton, our efficient
Grand Secretary. Though it was known for some time that
M., Bro. Barton was in failing health (he having been absent from
M., the special session in October last on account of illness) yet at
the last the news came with a sudden shock. Although not a
Committee. native of the Province, Bro. Barton had, during his residence
here, made many warm friends both in and out of the Society
who have heard of his early death with deep regret.

During the last illness of the Grand Secretary, Bro. P. G.
M. Armstrong attended to his duties and after his death
kindly consented to fill the vacancy until after a successor has
been elected by this Right Worshipful body.

be received During the year I consulted by letter with many of the
the follow- brethren throughout the jurisdiction relative to the advisability
of employing an organizer, but owing to the great variety
of opinions expressed and the difficulty of arranging for a
satisfactory mode of payment I was unable to see my way
clear to make arrangements for the purpose. I would, how-
ever, suggest to the Grand Lodge that the employment of a
competent person to organize new lodges and instruct the
brethren of isolated lodges would be an excellent thing for the
institution and would advise the appointment of a committee
to consider the matter.

ADDRESS.

ence of New

I regretted very much that professional engagements pre-
vented my being present at the dedication of the New Orange
Hall at Bathurst, but I sent a substitute in the person of Bro.
Jas. M. McIntyre, D. G. C., whose presence on that occasion,
I had the pleasure of learning, gave great satisfaction to the
brethren and friends at Bathurst. The Orangemen at Bath-
urst are to be congratulated on the pluck and enterprise they
have exhibited in building and equipping their beautiful and
commodious hall, and by so doing have set an example that
might well be followed by other populous places in which
Orangeism had a strong foothold long before it was ever
dreamed of at Bathurst. I am also proud to announce that
Steeves Lodge, at Lutz Mountain, Westmoreland Co., have
erected and are now occupying a hall, clear of debt.

The anniversary of the Battle of the Boyne was duly ob-

served in various parts of the Province, the largest gatherings being at Fredericton and Sussex. These annual celebrations do much for the Order by bringing the brethren of different localities together and enabling them to know and appreciate each other better.

The usual celebration of the 5th of November was also duly observed throughout the jurisdiction, in some places by a lecture followed by a supper and dance, and in others by a church parade and sermon, according as the majority of the brethren of the different lodges inclined to be grave or gay, but in each case whatever form the outward manifestation took the hearts of the brethren were in the right place and they celebrated according to their different pleasures the event dear to the heart of every true Orangeman and lover of liberty.

The correspondence this year has been unusually heavy and will be handed to the Committee on Correspondence.

I have not been called upon to decide any important appeals during the year, but have granted a number of dispensations.

At the last annual session of the Grand Lodge the Grand Master was instructed to take such proceedings as were deemed necessary to endeavor to secure their civil rights for our brethren of Bathurst, which rights, it was claimed, were denied them by the Catholic majority of that place, aided and abetted by the Board of Education.

The first step taken was to circulate petitions throughout the Province directed to the Legislature and praying that the matter be investigated by the House of Assembly and proper redress of the grievance granted.

These petitions were prepared in consultation with a number of the brethren, printed by Bro. Pitts at his printing office, duly circulated for signatures and were signed by, I believe, something about ten thousand persons.

After a somewhat stormy debate in the Legislature a Royal Commission was issued to the Hon. Judge Fraser (our present Governor) directing him to proceed to Bathurst and there examine into all the many complaints which are commonly known as the Bathurst School Question.

After consultation with some of the brethren I employed brother the Hon. C. N. Skinner, Q. C., as senior counsel and myself acted as junior counsel at the inquiry, and having received from brother the Rev. A. F. Thompson a detailed statement of the various matters of complaint, we put it in a

proper legal form, and, having filed and served the various copies required, proceeded to Bathurst on the opening of the Commission at that place.

His Honor Judge Fraser presided at the hearing, the Board of Education being represented by the Hon. Solicitor General White, the Trustees of Bathurst Town and Village by R. A. Lawlor, Esq., and N. Landry, Esq., and the complainant by Hon. Mr. Skinner and myself.

Briefly we charged in our complaint that the Roman Catholic Bishop of Chatham entered into an agreement and understanding with certain Catholic members of said school districts of Bathurst Town and Village to bring the schools of said districts under the control of the religious teaching orders of his church, and under and by virtue of such agreement and understanding conventional schools were established contrary to law.

That the Board of Education had granted undue privileges to the said religious teaching orders of the Catholic Church in allowing them to be licensed as teachers without attendance at Normal School.

That Roman Catholic priests interfered with the schools in said districts in their capacity as priests of the church.

That Roman Catholic holy days not school holidays were observed in the schools.

That a certain report dealing with the schools of these districts had been suppressed by the Board of Education.

That the Board of Education had unduly favored the Roman Catholics in not acting upon complaints submitted by Protestants.

That the grading of said schools was so conducted as to make it necessary for Protestant children to attend the conventual schools.

That in consequence of the foregoing the efficiency of the schools had been greatly impaired.

That the cost of running the schools had by these means been greatly increased.

That the conventual schools had been established for the benefit of the Roman Catholic church and to injure the Protestant churches.

That a regulation of the Board of Education (No. 10) had been materially altered in order to enable the trustees to interfere with Protestant rights.

That teachers had been rejected in Gloucester Co. because they were Protestants and would not teach the Roman Catholic catechism in the schools.

That illegal arrangements had been sanctioned by the Board of Education which enabled the children of one district to be taught in another district so as to receive religious instruction during school hours.

That in certain schools Roman Catholic catechism had been taught within school hours; Roman Catholic prayers had been used; Protestant children had been forced to kneel and cross themselves; a Protestant pupil had been expelled for refusing to kneel.

That generally the school law had been violated and disregarded in said school districts.

The hearing occupied sixteen days of arduous labor on the part of judge and counsel, some sixty witnesses being examined and an immense mass of evidence adduced filling some seven volumes and containing in the whole over twelve hundred pages of closely type-written matter, and as a result, in our opinion, the various charges were amply proved.

The argument took place at Fredericton and lasted four days, being taken part in by Hon. Mr. White for the Board of Education, R. A. Lawlor, Esq., for trustees and Hon. Mr. Skinner and myself for complainant. The commissioner took time to consider and stated that he would report to the Board of Education. Since that time Judge Fraser has been appointed Governor of the Province and it is not yet known to counsel whether he has or has not reported upon the matter, though I am of opinion that the Board has received some intimation of what his report is likely to be as they have since the argument made two very important changes in the regulations along the lines for which we contended, namely: The prohibition of the use of any but the Lo. 's prayer in the schools and the fixing of the school hours and prohibition of any use of religious catechism between those hours, which, if no other gain were made by this enquiry, must be regarded as a distinct victory for us.

After the close of the enquiry, counsel, upon consultation, decided to bring the matter before the courts as well, and the case of ex-parte Johnson attacking the assessment in school district No. 2 was taken up on certiorari and now stands with leave to re-enter next term.

Since the agitation in this matter first began there has been from time to time talk of a basis of settlement of difficulty being arrived at, and at the conclusion of the hearing Mr. Skinner asked the friends at Bathurst if they cared to have a settlement of the matter provided terms satisfactory to them could be arranged for, and they told him that such was their desire. The matter was further and at length discussed at the special meeting of the Grand Lodge called to consider the whole matter, but the proposed settlement was rejected.

During the month of October last, with a view to obtaining a settlement, the Protestant people of Bathurst appointed a committee of five persons composed of Revs. A. F. Thompson and J. Sellars and Messrs. Dr. W. P. Bishop, W. R. Johnson and V. illiam Rogers.

These gentlemen drew up a basis of settlement consisting of eight propositions and handed the same to Hon. Mr. Skinner who submitted them to the other side through their counsel, Mr. Lawlor, but no agreement was reached. Afterward a meeting of representatives of both parties met at Bathurst with the counsel on both sides but no agreement was had. Then the counsel met and formulated another basis of settlement taking the first proposition as a ground work and interviewed certain members of the Board of Education to know if the terms would be agreed to by the Board provided they were accepted by both parties, and the members so consulted agreed that no objection would be offered by the Board provided both parties would agree to accept the same.

The following is an outline of the proposed basis of settlement:—

The agreement to be in writing and to be signed by the counsel representing both interests.

One Protestant Trustee to be elected to the Board. Such trustee to be approved of by a majority of the Protestant rate-payers present at the school meeting at which such trustee is elected.

That out of the general school fund fixed charges, such as interest, principal accruing due, insurance and sinking fund (if any) be first paid and a sum equal to the balance of the rates paid in by the Protestant rate-payers added to the proportion of the county school fund earned by the proportionate attendance of the Protestant pupils in the primary and intermediate departments of the public school building, together

with the allowance out of the county school fund to teachers, shall be expended in the maintenance of the schools in the public school building.

No charge to be made for the use of the convent school buildings.

The schools in the two rooms of the primary and intermediate departments of the public school building to be under the control of the Protestant Trustee and all grades or departments above the intermediate to be managed by the whole Board.

The basis of this agreement is that the Protestants and Catholic Trustees shall severally control in their respective departments as above outlined, and in case of a difference of opinion occurring the Chief Superintendent of Education is hereby accepted as an arbitrator between them.

It will easily be perceived that by this plan no part of the money paid by Protestants will go to the support of the conventual schools and the majority will be called upon to give up their inherent right to elect the whole Board of Trustees, and the majority of the Board will concede their right to control all the schools in the district. These are the salient features of the plan which would commend themselves to the Protestant people, but this is also true that it is in a certain sense a departure from the act. In defense of that, however, it might be urged that the existing arrangement in other parts of the Province, such as St. John, Fredericton, Chatham and other places are also still greater departures from the act.

Now as there appears to be a misapprehension in some quarters respecting the conduct of the Protestant counsel in this matter, and as some of the good brethren have expressed themselves as opposed to our course I may be pardoned for introducing a few words of explanation.

When we came to consider the whole question after the evidence was all in and the argument concluded we asked ourselves what were the results.

If the commissioner reports adversely nothing will be immediately gained by the enquiry except the production of the evidence to the country and the preparation of a ground work for a religious war such as agitated the country at the passing of the act in 1871. If, on the other hand, the report is in our favor it means the disruption of the existing state of things in these places where now everything is going on harmoniously,

a condition which we were assured would be deprecated by many who were strong sympathisers with the brethren and friends in Bathurst. We therefore felt that we would be doing no more and no less than our duty if we were to endeavor to formulate some basis of settlement which would be mutually satisfactory to both parties, and that is the sole reason why we entered upon that course. We have never urged our friends in Bathurst to make any settlement because we felt that was outside our province, but simply asked them to meet representatives from the other side to talk over the matters in dispute and see if a *via media* might not be found. The question has not in any way been prejudiced by any attempts which have been made at a settlement but remains precisely as if such steps had not been taken, so that to put it mildly I do not think the occasion calls for the strictures which have in some quarters been passed upon the conduct of counsel. In any great question like this there is bound to be a difference of opinion among those who are honestly working for the same end, and it is infinitely better to recognise that and try to bring a brother around to your way of thinking rather than to violently denounce him because he cannot see eye to eye with yourself, or because the course which seems to him the proper one to pursue does not commend itself to your judgment. I have no doubt that we all feel alike over this question, and I feel assured that if we stand together and fight shoulder to shoulder and do not allow ourselves and our energies to be divided by bickerings and divisions that a satisfactory conclusion will eventually be reached.

At the last session of the Grand Lodge of British America in answer to an appeal forwarded by me and supported by Bros. P. G. M. Armstrong and D. G. M. Kelly, the sum of two hundred dollars was voted toward the Bathurst school fund, but though there has been a considerable amount of correspondence in the matter, for some hitherto unexplained reason, the treasurer has not yet secured the amount.

I have had the pleasure of visiting a number of the Lodges during the year, though not so many as I could wish.

I wish to call especial attention to the very excellent work performed by Graham L. O. L., of Fredericton, of which Lodge Bro. H. G. C. Wetmore is the beloved Master. As a token of the high esteem in which Bro. Wetmore is held by his Lodge, they presented him with an address and a beautiful

ring. Graham Lodge has, during the year, added thirty-seven to its membership.

And now, brethren, in conclusion, and in retiring from this high office which I have held for the past three years, I wish to thank you all for the trust and confidence you have reposed in me, and to say to you how highly I appreciate the uniform courtesy and kindness I have ever experienced at your hands and to bespeak a continuance of the same for my successor.

We do not all see alike, and I have no doubt but that I have, in the course of the past three years often made mistakes, but I claim this one thing, that the best interests of the Order have always been my aim, and no matter what position I may hereafter occupy I shall continue to do what I can toward increasing the prosperity and extending the usefulness of our beloved Institution.

GRAND SECRETARY'S REPORT.

ST. JOHN, N. B., Feb. 20th, 1894.

*To the Right Worshipful Grand Master and Members of the
 Grand Orange Lodge of New Brunswick.*

SIR AND BRETHREN:—

For the last few weeks I have been acting Grand Secretary
 in consequence of the death of our much respected Brother
 Barton, who was elected to this office only one year ago.

Bro. Barton attended to the duties of his office up to within
 a short time of his death, which occurred on the 8th of this
 present month. Considering the short time I have been acting
 in this position, Grand Lodge I am sure will not expect a
 report of much length.

I have only to say that I found Bro. Barton's books kept
 well and balanced up to the very day he allowed me to act
 for him.

The number of returns from Primary Lodges are larger than
 usual at this date, and the membership has increased since last
 year considerably.

New warrants have been issued during the year to ten
 Lodges, all having a larger number of applicants than usual.
 One warrant is all I know of having been returned to Grand
 Lodge, and comes from Queen County, No. 146.

Returns and correspondence will be placed before Grand
 Lodge, from which the committee on correspondence will be
 able to report the general standing of our Order to Grand Lodge.

From personal knowledge I can report our Order in the
 different communities where it is situated to be strong and
 healthy and gaining ground every year.

Annexed will be found a financial statement of the Grand
 Secretary's office, for the year just ended, balanced up to date.

With a hope that this session may be productive of much
 good to our Order,

Fraternally yours,

A. J. ARMSTRONG, P. G. M.,

Acting Secretary.

N. B.—Financial statement of Grand Secretary to be found in appendix A.

Moved by W. Bro. J. Hewiston, and seconded by W. Bro. A. O. Crookshank, and *Resolved*, That the Grand Secretary's report be received and accepted.

REPORT OF THE COUNTY MASTER OF WESTMORLAND.

ORANGE HALL, FAIRVILLE, N. B.,
February 21st, 1894.

*To the Right Worshipful Grand Master, Officers and Members
of the Grand Orange Lodge of New Brunswick.*

WORSHIPFUL SIR AND BROTHERS :—

It gives me pleasure to be able to report that the Order is in a healthy condition in the County of Westmorland.

There are six Primary Lodges working in the county, a gain of one during the year, namely : Steeves Lodge, No. 14, organized last March. This Lodge now returns twenty-seven members. Since being organized they have erected a new hall in which their meetings are held. I am happy to state this hall is clear of debt.

All our Lodges are prosperous and are working in harmony together.

At our annual meeting, held at Salisbury, there was an attendance of 42 County Lodge members and all the business was conducted in a most seemly manner.

Although in entire accord with every effort put forth to preserve the New Brunswick school law, our County Lodge passed no resolutions in reference to it, believing that this grand body was willing and competent to deal with these matters and that such resolutions tend to embarrass rather than strengthen your hands.

Fraternally yours,

Dr. E. O. STEEVES, P. C. M.

On motion of Bro. James Kelly, seconded by Bro. A. L. Duplisea, it was *Resolved*, That the report be received and referred to the Committee on Correspondence.

REPORT OF THE COUNTY MASTER OF SUNBURY COUNTY.

ORANGE HALL, FAIRVILLE, N. B.,

February 21st, 1894.

*To the Right Worshipful Grand Master, Officers and Members
of the Grand Orange Lodge of New Brunswick.*

SIR AND BRETHREN :—

As County Master of Sunbury County I have very great pleasure in making my annual report. I can assure you that the year has been a prosperous one in the County which I have the honor to represent.

We have organized two new Lodges in the County in the last year, viz. : Lincoln L. O. L., No. 30, and Gornish L. O. L., No. 22. These two combined give us a membership of about thirty-six.

There has been an increase in Star of the Boyne L. O. L., No. 36, King William L. O. L., No. 114, and also in Sunbury L. O. L., No. 145, making a gain of about sixty in the year.

This is the first time in the history of our noble Order that the little County of Sunbury has been able to report five O. L.'s, and I feel assured that the next report will give seven. We do not intend to give Sunbury any rest until we have every good British subject's name enrolled among the faithful.

Yours fraternally,

A. E. DUPLISEA, *County Master.*

On motion of Bro. Burgess, seconded by Bro. Robert Cochrane, the report was received and referred to the Committee on Correspondence.

I am pleased

port the five Primary Lodges in my County in a good finan-
 cial position.

The annual meetings were well attended and the business
 transacted in a very satisfactory and agreeable manner.

No. 92 has for the first time since its organization paid
 and and County dues and starts again with every prospect
 future success.

The older Lodges, viz. : No. 9, 78, 91 and 124 are doing all
 possible to promote the interests and extend the influence of
 the noble Order. And I feel assured that, as a result of their
 efforts, we shall be able next year to report a large increase in
 membership.

I deeply regret that the Royal Scarlet Chapter is not doing
 well as it should. The meetings are poorly attended and
 little interest is taken in its welfare. The members are
 unanimous in their desire to have the degree again worked in
 the Primary Lodge and the Chapter itself as a separate insti-
 tution abolished.

Fraternally submitted,

E. L. MORRISON,
 County Master.

On motion of Bro. Geo. E. Day, seconded by Bro.

REPORT OF THE COUNTY MASTER OF CHARLOTTE.

ORANGE HALE, FAIRVILLE, N. B.,
 February 21st, 1894.

To the Right Worshipful Grand Master, Officers and Members
 of the Grand Orange Lodge of New Brunswick.

RIGHT WORSHIPFUL SIR AND BRETHREN :—

As Past County Master of the Loyal Orange Lodge of
 Charlotte County, I desire to make my annual report.

We have three Lodges in the County, all of which are in a
 healthy condition. No. 17 has a membership of 33 and is
 prosperous financially and otherwise. No. 19 has a member-
 ship of 42 and is doing good service in the cause of Orangeism.

I see by the last report that it has gained six members during

the year. No. 61 has a membership of 28 and is prosperous financially and otherwise.

Some of the members of the Primary Lodges celebrated the 12th of July in Baillie by a pic-nic which was held there and on the 5th November the Rev. W. C. Calder, delivered to them an able sermon at the same place.

The Scarlet Chapter is adding to its membership and is in a healthy condition.

During the summer I hope we shall be able to start a new Lodge at Dumbarton. Trusting that this meeting of the Provincial Grand Orange Lodge of New Brunswick will be a benefit to our good old Order.

Respectfully submitted in Union, Love and Truth,

I. H. NESBITT,
Past County Master.

On motion of Bro. David Burgess, seconded by Bro. Jas. Semple, it was *Resolved*, That the report be adopted and referred to the Committee on Correspondence.

REPORT OF THE COUNTY MASTER OF QUEENS (WEST).

To the Right Worshipful Grand Master, Officers and Members of the Grand Orange Lodge of New Brunswick.

SIR AND BRETHREN :—

I hereby respectfully present my first annual report in connection with the County of Queens West.

It has been the custom of County Masters in the past to report this county in a flourishing condition.

In assuming the duties of County Master I feel bound to report the Lodges just as I find them. We have three Lodges at work, viz. : Nos. 4, 28, 90.

I regret to have to report Nos. 8 and 18, to be dormant, as they have made no returns for two years. No. 28 has not sent in returns this year yet, but I trust they will make returns and remit dues to Grand Lodge in due time.

No. 146 being rather weak in membership, we deemed it in the interest of the Association to unite with No. 99 and make one good Lodge, and I have returned that warrant to Grand Secretary.

and is prospering. I am sorry to say our Scarlet Chapter has not met regularly during the last year, owing to the long distance between the celebrated companions in country places and the removal of our Past Master from the county. The County Master from the county.

Calder, deliver I regret to have to report that death has removed from us one of the most diligent and faithful workers of our Association and is in union.

In conclusion I trust that our meeting here may result in the start of a new legislation, and that the present year may do something for the revival of our noble Order in Queens County West.

Submitted in the bonds of the Order,

JOHN PETTY, JR.,

County Master of Queens West.

I have to report from York County that the work has been prospering in a most satisfactory manner.

Warrants have been received from three new Lodges, and a long dormant lodge recusitated. The membership and interest has been steadily increasing and all the Lodge meetings are well attended.

With reference to the so-called Bathurst school question, which is rather a misnomer, as it is the Public Schools question, the County Lodge is a unit in disapproving any settlement or compounding of the question. It understands that when the Grand Lodge identified itself with the question it was to pass for a thorough enforcement of the law, not only in Bathurst, but in Fredericton, Moncton, St. John or wherever the non-sectarian principles of the law are being violated.

A unanimous vote was passed by the County Lodge in opposition to any form of settlement other than the school law as originally adopted.

There are now sixteen Lodges in the county which I have with one or two exceptions, visited on several occasions, taking the opportunity of holding public meetings, under the auspices of the County Lodges, at these times.

I am sure that so long as the Orange Association stand firm by the principles for which it was established and for which it exists, that it will prosper and be a power, not only in York County, but all over this beloved Dominion.

A vote of Grand Lodge of last year provided for the celebration of the 12th of July in Fredericton. Preparations were made to give our brethren a right royal welcome, and those who had the opportunity of attending, we think, returned to their homes well satisfied. We only regret that circumstances were such that none of the Grand Officers were able to be present, but we appreciate more the attendance of members from St. John, north end, and elsewhere, who contributed to make the day a grand success.

The Grand Lodge can depend upon York as being an aggressive and fearless exponent of Orange principles as we understand them.

Very sincerely and fraternally yours,

HIRAM H. PITTS,
County Master of York.

On motion of Bro. J. M. Chappell, seconded by Bro. A. F. Lockhart, it was *Resolved*, That the report be received and referred to Committee on Correspondence.

REPORT OF THE COUNTY MASTER OF CARLETON.

ORANGE HALL, FAIRVILLE, N. B.,
February 21st, 1894.

*To the Right Worshipful Grand Master, Officers and Members
of the Provincial Lodge of New Brunswick.*

SIR AND BRETHREN :—

With a certain amount of diffidence I venture to hand in
my first report to Grand Lodge.

It is pleasing to report in my jurisdiction that there are
three more Lodges than my predecessor reported last year, the
number now being ten.

The new Lodges at Hartland, Bristol and Holmsville start
out under favorable auspices and are composed of good material.

Most of the Lodges in Carleton County are doing a fairly
good work, and it may not be necessary to predict that the
outlook for our noble and honored Association is bright, and
hopes are entertained that soon we may have as many mem-

bers as shortly after 1847, when our County Lodge of Carlet returned about seven hundred and fifty orangemen. (and the County Lodge was never better attended, all the Lodges tituti one or two being represented. It is gratifying to report tuly Y increased interest is being taken in county matters. proces

I am also pleased to report that the Scarlet Chapter is anted working order and meets regularly on the fourteenth of ea learle month in the Orange Hall, Woodstock. anion

In conclusion, I trust that all our deliberations may be co year. ducted in harmony and brotherly love, and may the giver lodge a thi all good abundantly bless our illustrious Society, and especia nitiat this meeting of our Right Worshipful Grand Lodge. I se

SIR AND BRETHREN :—

As County Master of Saint John County West for throte past year, it affords me great pleasure to report to this Gran In Lodge that our beloved Order is in a healthy and prosperoet in condition in this county. A great deal of active work hoonst been done by the brethren during the past year in adding the p our membership and also in endeavoring to place the pri Ag ciples of our Order in their true light before the communitwelce at large, showing that Orangeism is not a dead thing of thand t past, but a living reality, and as necessary to the maintainen I of civil and religious liberty to-day as it was in the days of our forefathers. and that the work has been done in accordance with the constitution and perfect harmony prevailing. The Twelfth of July was celebrated by the various Lodges. No. 29 held a procession at Pisarinco, while Nos. 5, 60 and 70 were represented in the grand demonstration held at Sussex. The Carlet Chapter is in good working order; three worthy companions have been added to its membership during the past year. The County Secretary's returns will give to this Grand Lodge a good and true statement of the progress of the Order in this County, with Willis L. O. L., No. 70, at the front in initiations, it having initiated sixteen members in one night.

I see by the papers that Lodges in different counties are drilling and perfecting themselves in battalion and other movements. This, I think, is a grand thing. It will give the brethren a good idea of the attitude in marching and keeping step. In this connection I would say that on 5th November last the members of this county had a church parade, and on this occasion marched and deported themselves in such a way as to bring credit to themselves and honor to our glorious Institution. As for discipline, I think our county can boast little, for we have a lot of as well drilled men in our Order as can be found in any county in the province; we have them, Sir, ready for action either by land or by sea,—men who put their trust in God and keep their powder dry.

A great question is agitating our brethren at present who reside in the lower part of our County concerning the fishery question, which I suppose you are all well acquainted with. Now as a body that cherishes the principles on which our beloved Order is founded, we should endeavor to further the cause of our religion and secure for our brethren liberty and protection.

In conclusion, I might just say that although the county is yet in its infancy, the great principles on which the Orange Institution is founded seem to have taken a deep root among the people.

Again, Sir and Brethren, I extend to you a most heartfelt welcome, trusting that your visit among us may be enjoyable and that this session will be pleasant and profitable.

I have the honor, worshipful Sir and Brethren, to remain,

SAMUEL FERGUSON,

Past County Master St. John County West.

REPORT OF PAST COUNTY MASTER OF ST. JOHN

ORANGE HALL, FAIRVILLE, N. B.,
February, 21st, 1894.

*To the Right Worshipful Grand Master and Members of the
Grand Orange Lodge of New Brunswick.*

RESPECTED SIR AND BRETHREN:—

It is with great pleasure that I present my first annual report concerning our Association in St. John County.

There are twelve Lodges in the county which, with one exception (No. 75, St. Martins), are in a prosperous condition. No. 75 has made no returns to the County Lodge for two years

s and appeal There has been a most satisfactory increase in the membership during the past year.

The financial standing of the Lodges is excellent.

TIONS AND The Scarlet Chapter is in better standing than it has been for years, fifteen members having been raised to that noble Companionship last year.

LE, N. B., The excursion to Sussex, July 12th last, under the auspices of St. John District Lodge, was a grand success in every particular, as was also the excursion to Fredericton under Lodge No. 141. This should be encouraging to the orangemen of St. John, as it is no mean undertaking to load trains with the brotherhood and their friends both east and west on the same day, besides the number that went up river to Williams' Landing, and is a further proof that we have the full sympathy of the Protestant community.

all petitions and Lodge, beg leave so harmonious business of said to such cases o

Harmony Lodge, at Loch Lomond, occupies a very neat new hall of their own and is a most flourishing branch of our Order. Golden Grove Lodge erected an addition to their hall, and what is better, the addition to membership is regularly increasing.

ATKINSON, Lodge No. 141 is again in its own hall, no doubt you are aware. This hall was burned in January, 1893, but through the untiring efforts on the part of its energetic master and officers has again taken a very materialistic form, and is one of the finest Lodges in the province or in the Dominion.

ELANEY, All the other Lodges are doing well, and I trust they will continue in the good work of our noble Order.

OF ST. JOHN The Society has lost several of its members during the past year by death, among which I will refer to Bro. Geo. M. Thompson and William Bustard, of L. O. L., No. 24., Albert W. Fowler and Beverly Beaman, of L. O. L., No. 141.

E, N. B., Eldon Lodge, No. 2, is deprived of one of its most active members, in the person of Bro. Wm. H. Barton.

y, 21st, 1894. By the death of these members the Society loses some of its most energetic young men. More especially will the loss of Messrs. Thompson and Barton be felt by us as they were always active members.

Members of the Trusting that the Grand Lodge may continue in the upward and onward path of prosperity, I remain

ny first annual County. Yours in Union, Love and Truth,

which, with one erous condition ge for two years

JOHN W. RUSK,
Past County Master.

Moved by Bro. Wm. Roxborough, and seconded by Bro. J. G. Atkinson, and *Resolved*, That the report be received and adopted.

On motion of Bro. George S. Wiggins, seconded by Bro. Geo. H. Boyd, *Resolved*, That this Grand Lodge appoint Bros. J. Seller, J. C. Henry and J. DeVeber Neales a committee to draft a telegram of greeting and send the same to Grand Lodge of Nova Scotia next in session.

February 21st, 1894.

To the Right Worshipful Grand Master, Officers and Members of the Grand Orange Lodge of New Brunswick.

R. W. SIR AND BRETHREN:—

Your Committee on Correspondence beg leave to submit the following report:

That we have examined the correspondence of the Grand Secretary and find that it mainly consists of routine work and contains nothing of special mention.

In examining the Grand Master's correspondence we find it very voluminous. It largely consists of letters in reference to the New Brunswick School question.

As all the subjects dealt with therein will be brought up and discussed under other reports we deemed it a useless repetition to mention them.

We have received the reports of the County Masters of Westmorland, Sunbury, Kings East, Charlotte, Queen's West, York, Carleton, St. John West, and St. John.

They showed that the Order is exceedingly prosperous throughout the jurisdiction of this province.

of the Grand Orange Lodge of New Brunswick.*

RIGHT WORSHIPFUL SIR AND BRETHREN:

Your committee appointed to consider the address of the Grand Master beg leave to report as follows:

We regret with the Grand Master that Fairville has recently lost by fire so much valuable property, and we congratulate the people upon their energy in rebuilding the town.

Your committee desire to congratulate the Grand Lodge on the institution of ten new lodges, and the general increase of membership during the past year in our jurisdiction.

We also concur in the sentiments expressed by the Grand Master in reference to the death of Bro. W. H. Barton, late Grand Secretary, and deeply sympathize with his wife and family in their sad bereavement.

We desire to recommend that the thanks of this Grand Lodge are due to A. J. Armstrong, P. G. M., for the efficient manner in which he discharged the duties of Grand Secretary since the death of Bro. Barton.

We agree with the Grand Master as to the necessity of the appointment of an organizer or organizers, and would recommend the County Masters of the several counties be appointed such and that the fees collected for warrants be paid for their services.

We note with pleasure the erection and completion of Orange Halls at Lutz Mountain, Westmorland County, and Albert, Albert County.

Your committee congratulate the Order on the unity existing among the Lodges, and that the Grand Master has not been called upon to decide any important appeals.

We also note with pleasure the large number who signed the petition in reference to the Bathurst school question, showing the great interest the public took in this matter.

We also congratulate the Grand Master and his learned counsel for the able manner in which they conducted the investigation at Bathurst, and it is the desire of your committee

REPORT OF SPECIAL COMMITTEE.

ORANGE HALL, FAIRVILLE,

Feb. 21st, 1894.

*To the Right Worshipful Grand Master, Officers and Members
of the Grand Orange Lodge of New Brunswick.*

RIGHT WORSHIPFUL SIR AND BRETHREN:—

We your committee appointed to consider the claim of the District Lodge of St. John upon this Right Worshipful Grand Lodge for the sum of \$100 (balance of money advanced by the said District Lodge to the committee appointed to entertain the members of the Grand Lodge of British America, that met in St. John, May, 1890), beg to report that we have attended to that duty and find from the statements made by the various members whom we have interviewed in reference to this matter, that this Grand Lodge did not borrow, nor authorize the borrowing of any sum of money from the said District Lodge, and that this Grand Lodge has already paid \$250 to St. John County, and \$50 to York County, toward defraying the expenses incurred in entertaining the members

of the Grand Lodge of British America. We cannot therefore recommend that the amount claimed by the said District Lodge be paid.

Respectfully submitted in the bonds of the Order,
E. L. MORRISON,
P. E. HEINE,
A. L. DUPLISEA,
E. A. BLAKNEY,
DAVID HIPWELL.

Report of the County Master of Albert County was presented to Grand Lodge, and being taken up section by section the 5th section and part of the 9th section were struck out by an unanimous vote of the Grand Lodge, and the report received by the Grand Lodge as follows :—

REPORT OF THE COUNTY MASTER OF ALBERT.

ORANGE HALL, FAIRVILLE, N. B.,
February 21st, 1894.

*To the Right Worshipful Grand Master and Members of the
Grand Orange Lodge of New Brunswick.*

DEAR SIR AND BRETHREN :—

Owing to the absence of our Past County Master, it devolves upon me to present an address regarding the standing of our Order in the county of Albert.

I am pleased to state, from what I have been able to learn since my appointment as County Master, and from past knowledge of the Order in Albert County, that the prospects for the present year look brighter than they have for several years past, both in reviving the lagging energies of our brethren and in adding to our ranks new and zealous workers.

We now have six lodges in good standing, and there is a strong desire on the part of friends of Albert Corner and Turtle Creek to organize Lodges at those places. I hope to be able to report eight or nine Lodges at the next session of this R. W. Grand Lodge, which, according to Grand Lodge report f 1893, will place us in the rank of fifth county in number of odges instead of six as now held by us.

I regret to say that our Primary Lodges have not sent in full returns to County Lodge, owing, in a great measure, I believe, to negligence on the part of past county officers, which excuse I will try, during my present term of office, to have removed.

* * * * *

I am only cognizant of the death of one member during the past year, our lamented Brother Allan Beck, a very old and respected honorary member of Star of Hope L. O. L., No. 140, who was accorded the last rites of the Order.

I have notified all Primary Lodges in my jurisdiction of the special assessment of twenty-five cents per capital for costs in the Bathurst school question investigation. Star of Hope, No. 140, is the only Lodge as yet that has handed the said assessment to the County Secretary, which amount has been forwarded to the Grand Secretary with the County Lodge report.

I am pleased to be able to report our Scarlet Chapter is working in a very satisfactory manner.

* * * Trusting that this session of Grand Lodge will be productive of much good, and that all may work heartily for the advancement of our beloved Order,

I am, yours in U. L. and T.,

E. A. BLAKNEY,
County Master for Albert.

On motion of Bro. J. Hewitson, seconded by Bro. J. I. McLaren, the report was received and adopted as above.

Resolutions of Bro. H. H. Pitts in reference to the Bathurst School question, were called and adopted unanimously without discussion.

Moved by Bro. Wm. Roxborough and seconded by Bro. Wm. Anderson and *Resolved*, That this R. W. Grand Lodge procure and present R. W. Grand Master Geo. W. Fowler, with a suitable Past Grand Master's collar.

The Grand Lodge Officers were then duly installed by R. W. Grand Master Geo. W. Fowler.

Moved by Bro. A. J. Armstrong, and seconded by Bro. R. A. C. Brown, and *Resolved*, That in future the returns from County Lodges to this Grand Lodge state the year when the brothers named in said returns earned their honors as represented therein.

RIGHT WORSHIPFUL SIR AND BRETHREN :—

Respectfully submitted in U., L. and T.
